

TRANSIT ACCESSOIRES

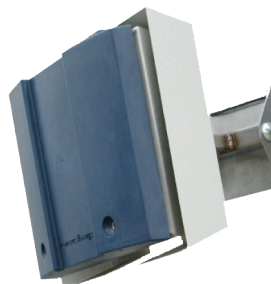

Weather Protection Hood

Weather Protection Hood for long lasting exposure to sun and rain.

The Weather Protection Hood can be mounted on the back side of the TRANSIT reader.

If the TRANSIT reader is to be used in extreme wet or sunny weather conditions, it is recommended to apply a Weather Protection Hood to protect the reader from direct water spray, rain or temperature rise by means of long lasting exposure to the sun.

Pole Mounting Kit

With this Pole Mounting Kit the TRANSIT reader can be mounted on round or square masts.
